rect-The Golden Prince a Winner After an Replaces Clayton, Who Is Arted-Neither One Lands the Money.

Three favorites, a second choice and two really "good things" at liberal odds were the winners at the Aqueduct track yesterday afternoon. Bullman and Burns rode two horses each to victory. The rather favorable weather, compared to that of last week, attracted a crowd of 5,000 persons, and as

The start came without a moment's delay, and was first-class. Speedmas, with Landry up, got away on the jump and cut out the running with King Bramble. A length or so back Royal Sterling and Robert Waddell followed at a clinking gait on even terms. This was the order until they rounded the upper turn. Then Bullman got King Bramble up so that he led by a neck at the top of the stretch. Speedmas was game and hung on like grim leath, but Piggott began to get the speed out of Robert Waddell, with the result that half way to the finish "Virginia," Bradley's gelding, was in second place. There were cries of warning to Bullman who, at that period, had a lead of half a length with the favorite. He went to the whip, and King Bramble ncreased his speed. On came Robert Waddell gaining ground at every jump. It was a terrific drive to the wire, the horses being apparently upon even terms fifteen yards from the judges' stand. When the official ruling that King Bramble had won was announced by the hoisting of his number and Bullman's name, there were mingled cheers and hisses. The more sportsmanlike ele-

In another moment this announcement came:

"Builman on The Golden Prince went to the post second choice at 11 to 5. At the flag and the protect of t

paddock he was placed under arrest by on a body execution, requiring Sheriff De Bragga of that county to arrest Clayton for failure to pay a judgment against him. Three years ago in a race at Morris Park Clayton had the mount on Warrenton. A spectator, Henry Bolermy by name, who did not like Clayton's ride, made remarks to the jockey, who in retailation struck Bolermy with his whip. Bolermy brought a civil action for damages and secured a judgment amounting to \$1,451.98. The deputy sheriff would not let Clayton ride vesterday and for a time it was thought that The Golden Prince would have to be withdrawn. But Bullman was hunted up and persuaded to accept the mount.

The heavy track caused so much scratching in the first race for two-year-olds at five furlongs that with Jack De Mund among for The Hoyden who, with Burns in the saddle, was made an odds-on favorite. He won by half a length in a drive. Shoreham was the talent's general selection to win the second event at five and a half furlongs. Mercer, who had been quietly played all over the ring until his odds feli from eights to sives, after trailing Souprep, 30 to 1 shot, for more than half the distance, proved to be the winner by a length and a half over Shoreham, who appeared to be poorly ridden by McDonald.

A field of eleven faced Starter Cassidy for the third race, distance about seven furlongs. Manitoban, with Burns up, was an unmistakable favorite at odds-on, though his owner. C. Steinmann, told his friends that the colt could not succeed in the going. Judge Wardell showed in front an instant after flagfall and held the lead by a neck when he reached the stretch. Then he feel back and The Rogue moved up, only to find Manitoban in the van with a very small advantage. Burns had to exert himself to the limit to make his mount win by a neck.

The last event was the biggest upset of the day. It was a five furlong affair for two-year-old maidens James Fitz was touted as a copper-lined clinch, the layerite. These who had their thinking caps on thought they sa

Bronx School League. lost ground through a mishap to his pacing machine.

The first steps toward stopping bicycle racing indoors has been taken by the New York Interscholastic Athletic Association. No games will be sanctioned hereafter that include excling events. This has been an old rule with the association, but a few schools have broken it. The move is the outcome of the many accidents resulting from bicycle racing indoors recently. It is not contended that a boy cannot be hurt outdoors, but the association points to the fact that there are no posts or railing into which a rider can bump into. Then again, the parents of the boys object to them riding indoors as well as the headmasters of the schools.

Of Interest to Men. A Word About Clothing.

We do not claim to be the only Clothing Store that can satisfy particular men. We have no monopoly on brains or experience-there are doubtless other tailors who are equally able to satisfy you at a price. But we do claim to sell clothing that pleases particular men at as low a price as it can be honestly sold and pay the cost of selling.

The high grade exclusive clothing store has to make both expense and profit from this one article. Rent, heat, light, salaries, bookkeeping and delivery have to be paid from the proceeds of this single item. Our Clothing Store on the contrary is but one of fifty departments and is charged only with its own proportion of these expenses. Is it not natural then that we can sell the best of wearing apparel for less?

Absolute cost of honest fabrics and expert workmanship, with sufficient margin to cover selling expenses and narrow profit. That, and that only, determines prices here. Is it any wonder then that particular men find both satisfaction and economy at our Clothing Store?

Vardon's Defeat Due to Weak Putting J. D. Tucker Re-engaged at Syracuse.

J. H. Taylor's defeat of Harry Vardon by 3 up and 2 to play in the thirty-six-hole match at Ashley Park. Walton-on Thames, on Saturday is reported to be due to the latter's weakness in putting, while Taylor was perfect on the short game. Vardon has been beaten in two of the three matches he has played since his return and his next chance will be at the opening of the Hauger Hills links, Ealing, on May 1, when his com-petitors will be Taylor, Jack White and James Braid. Taylor's next match will be with F. Goldsmith, the local "pro," at the Minchead and West Somerset links, on to-morrow and Thursday.

John Dunn Tucker, brother to Will Tucker of Ardsley, and one of the best known of the younger set of professionals, has been reengaged for the third season by the Onondaga Golf Club of Syracuse and he will also have charge of the Oswego Country Club. The Onondaga links will be practically a new one this season, for every hole has been extended, and it should be in perfect condition by June 1.

Not one of the women players put in an appearance at the Dyker Meadow Golf Club yesterday, but if the weather is fine the two cup finals and the postponed "pick-up" team match will be decided to-day.
